

Donor Recognition Program

Today, the Casper Downtown Development Authority and its community partners begin an ambitious effort to bring positive and measurable change to the community. The David Street Station Capital Campaign will fund the construction of a new downtown events-driven public plaza for all in the community to enjoy. Whether you are passionate about arts, children, family, the underserved, economic development, entrepreneurship, culture, or community development – your partnership will be instrumental in effecting positive change in this community for generations to come.

Community Benefits

The mission of David Street Station is to enrich the community and its visitors by offering a central gathering place that hosts a wide variety of events and activities to build a stronger Casper. The Station will be a safe, clean, and well maintained environment in the heart of our community where everyone is welcome. A common sight will be smiling children laughing and playing while exploring the many features and amenities, including a free splash park. Other common sights will include engaged families enjoying quality time together during one of the many free movie nights hosted in the plaza or during an outdoor skating experience in the winter season. Additional activities will include concerts, festivals, farmers markets, fundraisers, and other family-friendly community events. Casper is a community that has been made great not by our wondrous surroundings or natural resources but by the people who live here. David Street Station is a hub for Casper, a place where we can come together with our friends, neighbors, family and even strangers to celebrate our great community.

The Casper Downtown Development Authority and its partners need your help to ensure the continued success of this project. Together, we can and will build a stronger Casper and a better Wyoming.

How to Donate

The “Pledge Card” provides space for you to designate your total pledge, initial offering, and payment interval that you request. Appropriate payment schedules will be mailed upon receipt of your pledge with the payment period beginning on the date we receive your pledge card. An initial offering of 50% of your total gift is requested at the time of your gift plan selection.

Commemorative Gift

Although gifts are given to reflect our commitment to the community, we recognize this as an opportunity to remember or honor our loved ones. Please contact Kevin Hawley if you’d like to explore commemorative gift opportunities or explore ideas to memorialize your donation.
